9-12-2022

Houghton-Portage Township Schools will be accepting bids for the 2022-2023 school year.

Services Needed:

- 1) Plowing of all main parking lots, sidewalks, back blading of entrances, garage doors, and around high school and middle school buildings with the exception of door 11.
- 2) Scraping of the snow mat buildup on parking lots and sidewalks, estimated at three times a year max. Mat removal can be expected on mid-winter warm up and spring as needed.

Notes:

This bid is only for 1603 Gundlach Road, Houghton Michigan 49931 for the high school and middle school properties. This does not include the elementary school property or bus garage.

Snow removal bid does not include the athletic field

Snow removal bid does not include walking path along Gundlach Road

Snow removal has to be completed by 7 a.m. Monday through Friday. If plowing is done early in the morning due to managing your own schedule and we get another 3" before 7 a.m., it is a requirement for you to come back and plow to make sure it's clean for the start of school.

Holidays and snow days- no snow removal needed.

Snow removal on a rare occasion may be needed on a weekend. We would like the bid to reference any cost differentials to do this by a per day cost.

Snow removal is required after 2" or there is buildup from blowing and drifting.

Sanding lots are not required.

Extensive lawn damage to be repaired, we expect some as normal

Bids should reflect a monthly cost from the dates of November 15th through March 15th, and then a daily/as needed cost for the dates before November 15th, and after March 15th

Outside parking/storage is available for up to two pieces of equipment if needed. This is located behind the bus garage for snow plowing season with outlets for block heaters.

Bids due by September 30, 2022. It's required prospective bidder is self-insured. For more information, contact:
